

## Boys' Football.

Saturday, April 23rd, was a red letter day for Sedlescombe football supporters, the occasion being the friendly match suggested by Major W. H. Mullens, J.P. (the donor of the challenge cup for Schools' competition), to be played between the victorious school team and the team representing Mountfield, Brede, Staplecross and Westfield Schools.

Master D. Mullens having started the ball rolling, the teams played with great juvenile skill and determination throughout, to the evident delight of the numerous spectators. Two goals were scored in each half, all by Sedlescombe team, who thus finish the season unbeaten. After the match Mrs Mullens presented the challenge cup to Sedlescombe School team, and Major Mullens entertained both teams and their head teachers and other officials to an enjoyable tea at W. L. Gregory's tea room.
