NP Application Ref App-00267
Neighbourhood Organisation Sedlescombe Neighbourhood Development Plan
Main Point of Contact Jonathan Vine-Hall
Total Grant Calculated £8,100.00
Total value of grant £7,000.00
Why grant is needed To pay for a consultant to help us through the process to ensure we do not make mistakes in our process and to ultimately write the pre consultation plan and the plan to go to inspection. To ensure the plan is written in the correct language and that our plan is robust. We have taken advice from other parishes who have now completed plans to at least pre consultation stage and all say that it is not possible without the help and support of a professional planner given our groups low level of technical expertise.
How it will help to move plan forward We do not have the planning expertise within the committee to write the plan or the policies in a way that would be considered acceptable by an inspector.
